

[illegible]

This image shows a full page of blank graph paper. The grid consists of small squares formed by thin black lines. There are approximately 20 columns and 30 rows of squares. A thicker vertical line runs down the left side, creating a margin. A thicker horizontal line runs across the middle, dividing the page into two equal halves. These thicker lines intersect at the center-left of the page.

This image shows a full page of blank graph paper. The grid consists of small squares formed by thin black lines. There are approximately 20 columns and 30 rows of squares. A thicker vertical line runs down the left side, creating a margin. A thicker horizontal line runs across the middle, dividing the page into two equal halves. The background is white, and the grid lines are light gray or black.
